Mr. and Mrs. E. L. Petty  
4610 Conner Street  
Chattanooga, Tennessee

Dear Bro. and Sister Petty:

I have just returned from my meeting in Jackson, Tennessee and wanted to write expressing my gratitude for the many kindness you showed me during the meeting at Green's Lake Road. I thoroughly enjoyed being in your home and was happy to speak for the congregation and the ladies Bible class at Brainerd.

The Brainerd congregation is held in high esteem by People all over the Chattanooga area. This speaks well for the leadership which the Elders have given to that fine group.

I will be happy to return and talk with the brethren there if such is desired. I would suggest however that you contact the men that you had wanted to talk with and if nothing interesting develops and you are sure that you would like for me to come and work with you then I would be happy to come and discuss the possibility. You will understand why it would be difficult to leave this work and that I would not be able to commit myself about the work at Brainerd until further discussion with the Elders had taken place.

Any further suggestions or wishes on the part of the Eldership will be entertained.

Fraternally yours,

John Allen Chalk
